IMAM FADHKUR ROKHIM

6283846902341 | imamfadhkur1@gmail.com | https://www.linkedin.com/in/imam-fadhkur/ | https://imamfadhkur.github.io/
Magetan, East Java Indonesia

I have an interest in web and android development. For four years, I have learned in online courses and self-study. I have experience in developing android apps with java/kotlin, and web apps with PHP, JS, and Python. in the framework I have learned CI3, laravel, and bootstrap. in my last year, I focused on Python programming. For additional assets of my application, I usually use adobe illustrator and canva.
